B a n g a l o r e.

Sir,

With reference to your letter No. G.15516/G.M.133-19-3 dated the 9th January 1920, asking me to send a report about Mr. R. Rama Rao, Probationer attached to my Department, I have the honour to report as follows:

Mr. R. Rama Rao has pretty well qualified himself in several items of the work of the Department during the period of his probation. He was taken out on tour and given practical personal instructions with regard to the decipherment of stone-inscriptions. He has also been made to study and decipher old Kannada manuscripts, and to go through several books relating to the work of the Department. To be fully qualified requires more time, study and practical experience Being a Sanskrit graduate, he is not quite familiar with old literary Kannada, a knowledge of which has to be acquired for dealing with the old records of the State.

He is now helping me in revising the historical portion of the Gazetteer. His conduct has been satisfactory.

I have the honour to be,

Sir,

Your most obedient servant,

R. Narasimhachar

Director of
Archl: Researches in Mysore.
